9TH ANNUAL

SASKATCHEWAN VISUAL ARTS PROJECT 2021-2022

A CELEBRATION OF PEACE, UNITY, SPIRITUALITY AND CARE OF THE EARTH BY SASKATCHEWAN YOUTH THROUGH ART

Themes

Some ideas for themes may include, but are not limited to, the following:

-We are one human family

-We are more alike than different: but differences make life interesting

-Sustainability of life, sustainable development, Care of Mother Earth, Greening and Recycling

-We are part of nature, relying on our natural environment for life

-There is an ocean of wisdom within each faith

-What has life taught you about: the power of love, peace, truth, respect, compassion, inclusiveness, justice, contentment, reconciliation, and overcoming racism, prejudice, violence, and bullying.

-Images of sacred spaces, festivals, customs and rituals

-What makes you think of the creator and creation?

-Any image that inspires you to trust and respect each other and our environment with love, understanding and respect.

For art submission and information:

<https://multifaithsask.org/vap/>

Celebrate what makes life better for you, for all humankind, and for our planet.

Please help us create a more inclusive and respectful world through your art. Your work will educate and inspire people of all ages to treat each other and our fragile environment with genuine respect and thoughtful action.

PROCESS FOR SUBMITTING ARTWORK

PROJECT IS OPEN TO ALL SASKATCHEWAN STUDENTS IN GRADES 9-12

Deadline for submissions: Friday, April 1, 2022

Award presentation: Friday, April 22, 2022

Step 1

Thank you for your hard work and creativity. In order that we might see your work in its best presentation, we ask you to make a digital photograph of your work.

- Check your lighting to ensure that colours are vibrant. Natural light is normally the best. Consult your teacher for assistance if needed.
- Use a high-quality camera or mobile phone. A digital image of at least 300 dpi is required.
- Crop the image to remove background or other distractions.
- Save the Image in a commonly accessible format. TIF is the preferred format. BMP, JPEG or PNG formats will also be accepted.

Step 2

Collect the following details for your teacher. Your teacher will make the submission in Step 3. It is helpful to provide these details electronically to ensure that all names, titles, and other details are accurately entered. Please prepare the following:

- Student name (as you wish it to appear in the public gallery)
- Student grade and school
- Student email address and phone number
- Title of the artwork
- Artist statement (2-3 sentences clearly stating the message of the artwork)
- Medium used in the artwork
- Actual dimensions of the physical artwork

The submission form will ask the student to certify that the artwork is an original creation. Each student is asked to agree that their winning art entry may be included in the VAP digital exhibition on the Multifaith Saskatchewan website and may be printed for inclusion in a public touring exhibition. Multifaith Saskatchewan will retain a non-exclusive non-commercial license for use of the digital or print image in promoting the VAP, in future retrospective exhibitions, and in other Multifaith Saskatchewan publications.

Step 3

Your teacher is required to certify that the artwork submitted is your original creation. Your teacher will submit the details from **Step 2** and add the following:

- Teacher name, school postal address, teacher's phone number
- The digital image file

In the event that students cannot submit their entries electronically, they should contact Ann Donald (phone 306-281-4477 or email anndonaldart@gmail.com) to make alternate arrangements.

Step 4

The VAP curator will send each student and teacher an email confirming receipt of their submission. Teachers may be contacted directly to clarify any details.
